Dear Friend:

On Friday, November 1, 2019, YWCA Western New York was delighted to host over 125 individuals at our 2nd Annual BraVa! WNY event - a unique celebration of the place of brassieres in our lives, to raise awareness around the need for bras among women and girls living in challenged environments.

Our supporters stepped up at BraVa! WNY; we're pleased to share that 425+ bras were donated and will be distributed to the women and girls served by YWCA Western New York. **However, the need is so much greater.**

For the past 150 years, YWCA Western New York has provided programs, services and supports that work to *eliminate racism, empower women, stand up for social justice, help families and strengthen communities.* We help people help themselves.

But we can't do it without YOU.

Please donate today so that we can continue our vital services - empowering the women, children and families of Western New York. **Your gift will make a difference in the lives of the people that we serve.**

With gratitude,
